PRODUCT DATA SHEET

Product	Spider Stopper (Product Code HM20102-R)
Type	A water-borne spider-repellent spray product.
Intended Use	For use around the house to discourage spiders from entering the home.
Special Features	A traditional environmentally friendly water-borne solution comprising natural extracts of peppermint and cloves. Scent is harmless to spiders and people.
Preparation	N/A
Application	Spray around window and door frames or anywhere else spiders might enter the home.
Coats	One application should be sufficient.
Drying Time	N/A
Re-coating Time	Typically reapply every 2 – 3 weeks to maintain active scent barrier, and immediately after cleaning any treated areas.
Application Temp.	Ideally 15 – 25 degrees C.
Coverage	N/A
Maintenance	N/A
Compatibility	Test on an inconspicuous area prior to use.
Settlement	Shake well before use.
Shelf-life/Storage	Up to 2 years in original sealed spray container stored in a cool, dry, dark place.
Hazards	Contact with eyes and skin should be avoided. IF ON SKIN; Wash with plenty of soap and water. IF ON EYES; Wash with plenty of water. If medical advice is needed, have product container or label to hand. Do not use for medical or hygiene purposes. Keep away from children or animals. Do not mix with any other preparations. Not to be taken internally.
Clean-Up	Clean up with soapy water.
Sizes	500 ml spray
