PRODUCT DATA SHEET

Product	Oven Mate Microwave Steam Clean Wipes (Product Code OM10106-R)
Type	Heat activated lemon fragrance impregnated moist fabric wipes for steam cleaning microwave ovens, hobs, fridges and kitchen worktops.
Intended Use	For easy cleaning/deodorising of microwave ovens using microwave energy to generate steam for cleaning purposes. Once activated wipes may also be used for wiping up food spills on hobs, fridges and worktops.
Special Features	Designed to use the power of a microwave to clean and deodorize itself by ensuring food deposits and grime can be effectively removed whilst leaving the microwave clean and fresh smelling. Wipes can also be used to clean other kitchen surfaces once activated.
Preparation	N/A
Application	Ensuring the wipe is still moist, place wipe in the middle of the microwave and heat to release steam as follows: 50 second heat time for 600 – 700 Watt rated microwaves, 45 second heat time for 750 – 800 Watt rated microwaves or 40 second heat time for 850+ Watt rated microwaves. Once wipe has been heated, it will continue to release active ingredients. Allow to cool for 3 – 4 minutes, then use the wipe to thoroughly clean the microwave. The activated wipe can also be used to clean other surfaces then dispose of wipe with normal household waste. NOTE; heating times given are for guidance purposes only as microwave ovens do vary. Only heat wipes in a microwave. Do not heat wipes beyond time indicated.
Coats	N/A
Drying Time	N/A
Re-coating Time	N/A
Application Temp.	Refer to Application section above.
Coverage	N/A
Maintenance	If used on a daily basis, it is recommended that the microwave is steam cleaned twice per week.
Compatibility	Compatible with most kitchen surfaces, but if unsure use on an inconspicuous test area first.
Settlement	N/A
Shelf-life/Storage	Shelf-life 2 years if stored correctly. Once opened, reseal pack and store in a cool, dry place out of sunlight. Use wipes within 3 months to avoid wipes drying out.
Hazards	WARNING. KEEP OUT OF REACH OF CHILDREN. Causes skin irritation. Causes serious eye irritation. IF IN EYES; Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention. Contains less than 5% cationic surfactant, also contains limonene. Do not use for personal hygiene. For full safety data sheet visit www.ovenmate.co.uk
Clean-Up	Wash with water if necessary.
Sizes	Pack contains 25 wipes.
